STATEWIDE CURRENT SITUATION: Water levels are receding across southeast Texas. One major flood zone remains in the Lower Brazos Colorado Valley but is isolated and may be out of flood stage by this weekend. All commercial ports in Texas have reopened, and Coast Guard captains of the port for Corpus Christi and Houston-Galveston are continuing to evaluate and reassess port restrictions.

Governor Abbott has issued a proclamation extending the suspension of laws authorizing or requiring the collection of state or local hotel or motel occupancy taxes from the victims of Hurricane Harvey or personnel participating in relief operations, for a period of 30 days, beginning August 23, 2017, and ending September 22, 2017.

President Trump has amended the Texas Disaster Declaration to make additional disaster assistance available to the State of Texas. This action authorizes 90% Federal cost share for debris removal, and 100% Federal cost share for emergency protective measures for 30 days from the start of the incident period and then a 90% cost share thereafter.

Governor Abbott has issued a proclamation condemning the practice of price gouging, and reminded Texans that such practices are illegal and will be investigated and punished.

Governor Abbott has issued a suspension of specific vehicle titling and registration requirements for the next 45 days in the 58 counties specified in the state's disaster declaration. As a consequence, vehicle titling and registration expirations are suspended in order to relieve that burden upon Texans. Law enforcement will not issue citations for expired registration in all affected counties until October 16, 2017.

Governor Abbott has issued a proclamation to allow the Port Aransas Independent School District Board of Trustees to conduct a telephone meeting within a reasonable distance of the district.

Governor Abbott issued a disaster declaration for the counties of: Angelina, Atascosa, Aransas, Austin, Bastrop, Bee, Bexar, Brazos, Burleson, Caldwell, Cameron, Calhoun, Chambers, Colorado, Comal, Brazoria, DeWitt, Fayette, Fort Bend, Galveston, Goliad, Gonzalez, Grimes, Guadalupe, Hardin, Harris, Jackson, Jasper, Jefferson, Jim Wells, Karnes, Kerr, Kleberg,

Lavaca, Lee, Leon, Liberty, Live Oak, Madison, Matagorda, Montgomery, Newton, Nueces, Orange, Refugio, San Patricio, Polk, Sabine, San Jacinto, Tyler, Trinity, Victoria, Walker, Waller, Washington, Wharton, Willacy and Wilson.

Governor Abbott requested and was approved for a Presidential Disaster Declaration for the following counties: Aransas, Austin, Bastrop, Bee, Brazoria, Calhoun, Chambers, Colorado, DeWitt, Fayette, Fort Bend, Galveston, Goliad, Gonzales, Hardin, Harris, Jackson, Jasper, Jefferson, Karnes, Kleberg, Lavaca, Lee, Liberty, Matagorda, Montgomery, Newton, Nueces, Orange, Polk, Refugio, Sabine, San Jacinto, San Patricio, Tyler, Victoria, Walker, Waller and Wharton counties for Individual Assistance and assistance with debris removal and emergency protective measures (Categories A and B), including direct federal assistance, under the Public Assistance program.

Bexar, Dallas, Tarrant and Travis counties are eligible for emergency protective measures (Category B), including direct federal assistance, under the Public Assistance program.

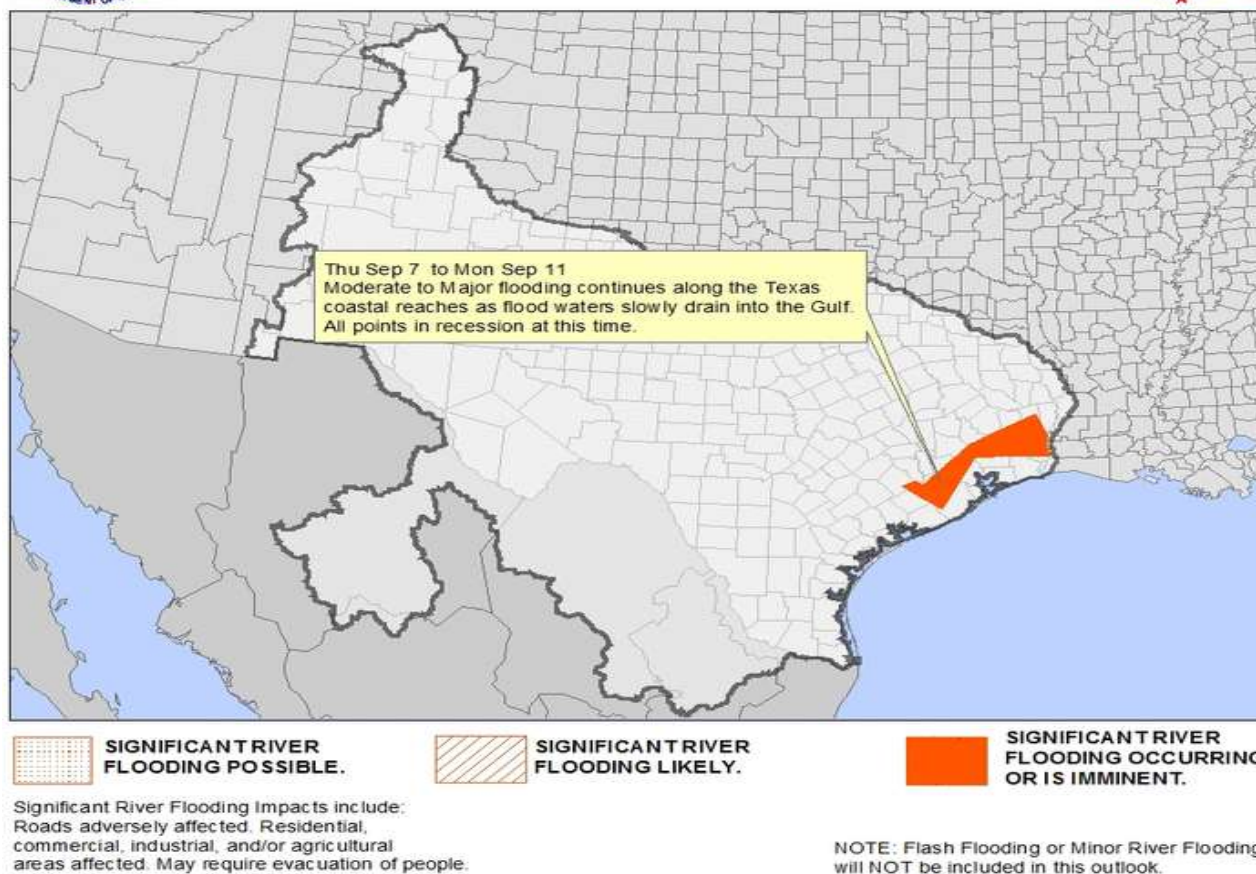

Public Assistance (Categories C-G) including Direct Federal Assistance have been added to FEMA-4332-DR-TX for Aransas, Brazoria, Calhoun, Chambers, Colorado, Fayette, Fort Bend, Galveston, Goliad, Hardin, Harris, Jackson, Jasper, Jefferson, Liberty, Matagorda, Montgomery, Newton, Nueces, Orange, Polk, San Jacinto, Tyler, Victoria, Walker, Waller, and Wharton Counties.

Significant River Flood Outlook

Valid: 9/7/2017 - 9/12/2017

West Gulf River Forecast Center 9/7/2017 9:56:37 AM

San Jacinto Basin – Major Flooding: All of the basins across the San Jacinto system, including the larger creeks and bayous, have crested. Addicks and Barker Reservoirs will continue to release, with Buffalo Bayou downstream remaining in flood stage/above criteria. The forecast point at Piney Point (PPTT2) is now in minor flood levels, and the site at Shepherd Dr. (BBST2) is falling within action stage. West Belt Drive (WSBT2) remains in major flood and will fall below major flood stage by Saturday evening.

San Bernard Basin – Major Flooding: Stream gages on the San Bernard including East Bernard (EBBT2), Boling (BOLT2), and the new stream gage upstream of Sweeney (OCNT2) are all slowly falling at this time. Therefore Sweeney (SWYT2) should also be falling, although there are no current observations from there to confirm this. Sweeney is expected to remain in major flood category for another 6 to 12 hours.

Neches Basin – Major Flooding: Evadale will stay in minor flood levels for several days. Pine Island Bayou will slowly recede. Flooding will slowly recede at downstream locations around Beaumont.

Sabine Basin – Major Flooding: Major flooding continues on the lower Sabine River system from Deweyville (DWYT2) to Orange (ORNT2). Water should remain high for a few days in this region as the flood wave drains into the Gulf.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.
